

Administration Building at Yulee High School

Client/Contact:

*Nassau County School Board
Cris McConnell
Facilities Director
(904) 225-5343*

Location:

Yulee, Florida

Project Size:

12,000 SF

Completion Date:

Opened July 2006

Principal-in-Charge:

William K. Rinaman, AIA

Program/Challenges

This 12,000 square foot Administration facility is intended to serve a new 1500 student Senior High School.

Solution

The masonry and steel structure meets 120 MPH wind requirements for eastern Nassau County on the total exterior building envelope. The Administration Building contains the following functions: a spacious entrance and reception area with trophy cases for school sward displays, administrative offices, clinic, conference room, guidance, career planning, records storage, and lounge.
