15850 County Road #108  
Hilliard, Fl. 32046  
Dr. Richie Allen, Pastor  
904-845-3614*

**Location:**

*Hilliard, Florida*

**Project Size:**

*10,000 SF*

**Completion Date:**

*June 2006*

**Construction Cost:**

*\$2,000,000*

**Principal-in-Charge:**

*William K. Rinaman, AIA*

### **P r o g r a m / C h a l l e n g e s**

Constructing of the new 450 seat sanctuary three feet from the existing 200 seat auditorium, while maintaining access and safety on this limited site was carefully accomplished.

### **S o l u t i o n**

The fan-shaped auditorium accommodates acoustical and performance technology for the worship service style of this progressively conservative congregation. The facility includes church administration, choir practice, prayer room, parlor and baptistry support facilities.

*"...to express the appreciation of our church for the product that you delivered in designing and building our new sanctuary. I am particularly grateful for how you initiated our building process. In the very beginning, you came and worshipped with us to better understand who we are and what we are trying to accomplish. Because of that, we have a unique sanctuary that expresses our identity and helps us fulfill our purpose.*

*Here is the bottom line: Each Sunday we worship in an elegant facility that has a "wow" effect upon all who enter. We gladly commend your services to those who would desire a smooth journey towards the goal of a high-quality facility..."*

*- Dr. Richie Allen, Pastor*
